Test Report

Executive Summary

This is a **comprehensive test** of the Markdown to PDF conversion functionality.

Key Features Tested

1. **Headers** of various levels
2. **Bold** and *italic* text formatting
3. Lists (both ordered and unordered)
4. Code blocks and inline `code`
5. Blockquotes
6. Tables

Sample Table

Feature	Status	Notes
HTML to PDF	✅	Working
Markdown to HTML	✅	Working
Markdown to PDF	🧪	Testing

Code Sample

```
interface ConversionResult {
  success: boolean;
  data?: Buffer;
  error?: string;
}
```

> **Note**: This is a test document generated automatically by our test suite.

Conclusion

The conversion system appears to be working correctly across all supported formats.
